

Northwest Carbondale Neighborhood Association Meeting
4 June 2014

Present: Adam Loos, Al Kuczynski, Yolanda Presley, Lorie Allen

Absent: Patti Diggle, Yolanda Smith, Rachel Robinson

The group briefly met before a Planning Commission meeting at City Hall.

It was noticed that we should place plea to members on Facebook, by email, and on the website. Al suggested that it would be nice to ask members to recommend joining to neighbors. Yo will create plugins for the website.

Al noted that Debbie Thomas of the Carbondale Times (Wednesday and Saturday editions and Nightlife) would also announce our meetings as a public service.

Yo noted that our top priorities are the Neighborhood Business District. Many board members have been attending these meetings. Adam noted that our term limits are coming up.

We definitely need to revitalize the organization but no one has the energy to put into it to make it grow. A door-to-door effort is needed and we just don't have enough people to do that.

We attended the Planning Commission meeting.
